ARCF is a unique institution. It is a permanent, yet flexible, collection of 50 endowment funds contributed by people from all walks of life who want to give something back and to make a difference in their community.

The principal of these funds remain intact forever. The earnings generated from these endowment funds are invested back into Alger County in the form of grants.

A donor is able to give to an endowment fund already established or establish their own fund.

### Mission Statement

*The Alger Regional Community Foundation exists for the purpose of providing financial assistance to Alger County for quality of life enhancement programs.*
